

Remarks/Arguments

Responding to the second restriction requirement, applicants elect group I for prosecution. In addition, applicants amend the application as follows:

1. Applicants amend paragraph 16 of the specification to make the application more clear.
2. Applicants cancel claims 7-20 to be prosecuted at a later time.
3. Applicants amend claim 1 to better describe the invention.
4. Applicants add new claims 21-27, which are fully supported in the original description and drawing figures.

Applicants respectfully submit that, as amended, the application is in allowable form and respectfully request that a timely allowance be issued in this case.

Respectfully submitted,
